Curriculum vitae

Alessio Iannucci
PhD student
Department of Earth Sciences
Sapienza University of Rome

alessio.iannucci@uniroma1.it

researchgate.net/profile/Alessio_Iannucci

Born in Rome, 17/01/1995

Education and courses
- from November 2018:
PhD student in Earth Sciences
Sapienza University of Rome
First ranked PhD project proposal, cycle 34 (date 16/07/2018)

- 23/07/2018:
MSc: "Science of Nature"
Sapienza University of Rome
graduation grade: 110/110 cum laude
Grade average: 30/30
Awarded as “Excellent Graduate” 2019 (Fondazione Roma Sapienza NoiSapienza Associazione Alumni)

- 12/07/2016:
BSc: "Natural Sciences"
Sapienza University of Rome
graduation grade: 110/110 cum laude

- 2018/2019:
Courses and seminars of the training offer of the PhD in Earth Sciences, Sapienza University of Rome: “Using databases in Earth Sciences; Modelling with Petrel; GIS applications; Paleoenvironmental and paleoclimatic reconstructions; Geomagnetism; Petrography and geochemistry of volcanic products; Field trip to Alban Hills and Sabatini Mounts; How to prepare a presentation; How to write a research project; Suggestions for how to write a scientific paper”.

-29/11/2019:
Workshop: “R-evolution, fenotipo e paleoecologia nel futuro”. Second Italian Meeting for Young Researchers in Paleontology (IVPday), Florence.

- 28-30/05/2019:
Short Summer School: “Geological archives of past warm periods from Central Italy and their potential for climate research”, Abbazia S. Spirito al Morrone, Sulmona. Cities Partnerships Programme, London-Rome.

- 19-24/02/2018:
School of Paleoanthropology, Perugia. Second level course. Department of Physics and Geology, University of Perugia.

Field and lab activities
- from September 2017 (from 2019 member of the research project)
Excavation campaings to Grotta Romanelli (Castro, Lecce), Sapienza University of Rome.
Principal investigator Raffaele Sardella.

- August 2017 (from 2019 palaeontological study of fossil remains)
Excavation campaign to Notarchirico (Venosa, Potenza), Muséum National d’Histoire Naturelle, Parigi.
Principal investigator Marie-Hélène Moncel.

- March-May 2017 - Internship
Vertebrate Paleobiology Laboratory and Virtual Paleontology. Sapienza University of Rome.

- March-May 2016 - Internship
Molecular Systematics and Anthropology. Sapienza University of Rome.

Publications

ISI:

Conferences

02-05/10/2019 - XXXV Jornadas de Paleontología, Sociedad Española de Paleontología (SEP). Baza:

- **Iannucci A.**, Bellucci L., Conti J., Iurino D.A., Mazzini I., Mecozzi B., Strani F., Sardella R. (2019). *New Suidae material (Mammalia, Artiodactyla) from the Early Villafranchian of Collepardo (central Italy).*

02-06/07/2019 - EAVP 2019, European Association of Vertebrate Palaeontologists (EAVP). Brussels:

- **Iannucci A.**, Sardella R., Strani F., Mecozzi B. (2019). *Downsizing in the Late Pleistocene:* Sus scrofa *(Suidae, Mammalia) in the Apulian Peninsula (Southern Italy).*

21-24/05/2019 - Paleodays 2019, Società Paleontologica Italiana (SPI). Benevento/Pietraroja:

- **Iannucci A.**, Gaeta M., Sardella R. (2019). *The wild boar (*Sus scrofa*) from Palombara Marcellina, a "new" old Pleistocene site in the Campagna Romana (Latium, Central Italy)*

05-08/06/2018 - Paleodays 2018, Società Paleontologica Italiana (SPI). Trento and Predazzo:

- Mecozzi B., Bellucci L., Bona F., Cicia V., Conti J., **Iannucci A.**, Iurino D.A., Mazzini I., Pushkina D., Sanzi R., Strani F., Sardella R. (2018). *Preliminary analysis of the large mammal fauna from layers G to K of Grotta Romanelli, Apulia (Southern Italy).*

Funded projects

- *DE-TAF-59*

Funded for: Visiting research period (travel, stay, and per diem) at the Senckenberg Research Station of Quaternary Palaeontology (Weimar, Germany).
Funded by: SYNTHESYS+ project – European Commission via the H2020 Research Infrastructure programme.
Year 2020

- *ES-TAF-2677*

Funded for: Visiting research period (travel, stay, and per diem) at the Museo Nacional de Ciencias Naturales (Madrid, Spain).
Funded by: SYNTHESYS+ project – European Commission via the H2020 Research Infrastructure programme.
Year 2020

- *SEBES – Systematics, Evolution, and Biochronology of European Suidae*

Funded for: Visiting research periods abroad.
Funded by: Avvio alla ricerca – Sapienza Università di Roma.
Year 2020

- *Grotta Romanelli (Southern Italy, Apulia): excavating a geo-archaeo-paleontological key site for the Mediterranean prehistory*
Member of the research project, principal investigator Raffaele Sardella.
Funded for: Excavation campaign and related research activities.
Funded by: Grandi Scavi – Sapienza Università di Roma.
Year 2020

- *Grotta Romanelli (Southern Italy, Apulia): excavating a geo-archaeo-paleontological key site for the Mediterranean prehistory*
Member of the research project, principal investigator Raffaele Sardella.
Funded for: Excavation campaign and related research activities.
Funded by: Grandi Scavi – Sapienza Università di Roma.
Year 2019

Rome, 04/01/2021
