

SCORING CRITERIA – 39th CYCLE

In marking the candidates, the Commission will evaluate the following criteria individually and give a total score which comes from the sum of the individual assessments.

Oral Test

Debate about the topics of the specific PhD curricula and the research project: up to 80 points.

Clear presentation, ability to summarize and appropriate use of the scientific terminology:
up to 10 points

English language: up to 10 points.

The minimum total score must reach at least 80/100.
