

Evaluation criteria for the admission at the PhD in Social and Development Psychology, and Educational Research (XXXVIII cycle)

Titles, project and oral exam will be evaluated according to the following evaluation grid:

1. Titles (up to 10 points)

1.1 Bachelor's Degree (Master's, Specialist or Single-cycle Degree - max 5 points)

Rating Points:

marks/grades	Points
110 cum laude	5
110	4
106 -109	3
100 -105	2
90-99	1
<90	0

For those who graduate after the deadline will be used as a reference the grade point average.

1.2 Research experiences (Max 3 points)

Description	Points
Experience abroad (at least 2 months, including Erasmus)	1.5
Activities in research team	1
Training courses for management and implementation of research activities	0.5

1.3 Publications (Max 2 points)

Description	Points
Publications in journals indexed in Scopus or ISI databases or in "Fascia A" journals or books	2
Chapters in volumes, publications in Journal not indexed in Scopus or ISI or not in "Fascia A"	1

2. Project (max 25 points)

For the selection, the candidates submit a project concerning the topic of the curricula that assesses the applicant's inclination for the research and its ability to independently design and organize the different steps of the project. The project should not exceed the maximum length of 1000 words (excluded title and bibliography). The project presented is not an obligation for the research activities during the Ph.D. program.

3. Oral (max 30 points)

Will be admitted to the oral only the candidates who have at least 20/35 points in the evaluation of the titles and the project. The oral is aimed to explore, through an interview, the theoretical topics addressed in the research project presented during the submission of the application, Further discussion topics will cover the candidate's competences and previous curricular experiences.

The minimum overall score for admission to the Ph.D. is 35/65.
