Evaluation criteria of the oral exam

This document defines the Selection Committee's criteria for evaluating the documentation submitted by candidates applying for admission to the ABRO PhD program.

The Selection Committee may pose technical questions or ask the candidate to prepare a presentation on a scientific paper. This paper will have to be chosen within a **group of papers that will be made available together with the results of the evaluation phase.**

The Selection Committee will assign each candidate a maximum **score of 80 points**, which will be assessed on the basis of the ability to analyze and present the text, the contextualization of the research, and the quality of the exposition.
