

EVALUATION CRITERIA FOR THE ADMISSION TO THE PH.D. IN MORPHOGENESIS AND TISSUE ENGINEERING (CYCLE 36)

Titles and oral test will be evaluated according to the following evaluation grid:

1. Academic qualification (max 30 points)

1.1 Master degree final mark (max. 5 points)

Mark	Points
110-110 cum laude	5
109 – 107	4
106 – 104	3
103 – 101	2
100 – 98	1
< 98	0

Or, for students attaining their degree within October 31st 2020

Arithmetic mean of exam scores	Points
29 - 30	5
28 – 28.99	4
27 - 27.99	3
26 - 26.99	2
25 - 25.99	1
<25	0

1.2 Degree thesis (to be submitted in PDF format), (max. 5 points)

Criteria	Max. points
Structure	2
Clarity	2
Completeness	2
Originality	4

1.3 Curriculum studiorum, Research experience (max 5 punti)

Description	Max. points
Training (relevant activities only)	2
Research experience	3

1.4 *Publications and other academic qualifications that the candidate considers to be relevant to the evaluation (max. 10 points):*

Description of title	Max. Points.
PubMed / ISI / Scopus publications (first/last author)	5
indexed publications (co-author)	3
non-indexed publications	1
Meeting abstracts	1
Master's courses, scholarships	2
Research training courses	1
Research fellowships	2

N.B.:

- 1) Candidates do not require a minimum score to be admitted to the oral part of the examination.
- 2) Language used for the examination: ITALIAN / ENGLISH

2. Oral examination (max. 70 points)

Description of the oral examination (max. 70 points):

Oral examination (max. 70 points) consists in:

a) A 12- to 15-minute presentation, in front of the Commission, related to the experimental work conducted during the preparation of the thesis, or other experimental work, or of a research project selected by the candidate among the topics of the MIT PhD program. The evaluation will consider the clarity and completeness of the presentation, the way in which the various sections are balanced (identification of scientific problem and state of the art, experimental methodology, results, conclusions). In the case a research project is presented, the Commission will assess its originality and feasibility, the clarity and completeness of the aims presented, of the methodologies and of the potential results.

b) Discussion of the contents of the presentation.

c) Other topics selected by the Commission from among those that are inherent to the cultural topic of the PhD course.

d) Assessment of level of English.

N.B.:

- 1) The candidate must be awarded a score of at least 36/70 to pass the examination.
- 2) Language used for the examination: ITALIAN / ENGLISH
- 3) The schedule of oral test will be indicated on the PhD course web site:
