

Evaluation criteria for the admission examination to the PhD in Industrial and Management Engineering (40th cycle)

Oral examination (max 30 points)

Candidates who have obtained at least 20/30 in the research proposal will be admitted to the oral examination. During the oral test, specific aspects of the project will be discussed in depth and clarified, and the scores will be distributed as follows:

- Discussion of the themes related to the research project (20 points);
- Clarity of presentation, synthesis and scientific interest of the proposal (5 points);
- Motivation (5 points).

The minimum score for the oral examination is 20/30.

The minimum overall score to be admitted to the doctoral program is 40/60.
