

## **Evaluation criteria for the admission exam to the PhD programme in Physics (40th cycle)**

### **Oral Exam (max 26 points)**

The oral interview will be evaluated with a maximum of 26 points and will focus on the topics covered in the written test and those related to the candidate's master's thesis, to assess the candidate's skills and abilities. The interview may also assess the candidate's interests and abilities to work on the topics of the projects on which the additional grants are funded.

Further details on the interview will be provided by the committee after it is formed and announced via the doctoral website ([https://phd.uniroma1.it/web/FISICA\\_nD3503.aspx](https://phd.uniroma1.it/web/FISICA_nD3503.aspx))

**The minimum score to pass the oral test is 15/26.**

**The minimum overall score for admission to the PhD programme is 55/100**
