Translation in a journal or of part of a book	0.5

Other relevant experiences (maximum 3 points)

Description	Points
Stays abroad (at least three months, Erasmus included); scholarships; fellowships; participation in research groups	2
Knowledge of a second Germanic or Slavic language	1

2. Research project (maximum 80 points)

For the purposes of the evaluation procedure for the admission to the PhD programme, candidates upload the pdf of a dated and signed research project concerning the PhD programme subjects, written in Italian or in English, not exceeding 15.000 keystrokes (including blanks); on the basis of this project the candidate's ability to design, organize and develop a scientific research project is assessed. Candidates admitted to the Phd programme can agree with their supervisors on changes or even on a different research project.

The following aspects are evaluated:

Knowledge of the state of the art (maximum 15 points)

Originality and innovative contents (maximum 25 points)

Completeness and accuracy in explaining objectives, results, methodologies and potential results (maximum 25 points)

Feasibility and relevance of the project within the objectives of the PhD programme (maximum 20 points).

The research project is approved with at least 60/80 points.

3. Oral exam (maximum 80 points)

Candidates whose research project was assessed with a minimum score of 60/80 points can take the oral exam.

During the oral exam, taken in Italian, in English and in the Germanic/Slavic language of specialization of the candidate, the specific knowledge of the candidate in the field of Germanic or Slavic studies is assessed; the research project of the candidate is discussed;

the candidate's competence in the languages listed in the application form is tested.

Especially the following aspects are assessed:

Knowledge and competence of the Germanic or Slavic field of studies (maximum 35 points)

Ability and clearness in discussing the subject (maximum 35 points)

Further linguistic competences – see also 1.2 (maximum 10 points)

To pass the oral exam the candidate shall obtain at least 60/80 points.

The minimum total score for admission to the PhD programme is 120/180.
