EDUCATION

- July 2021: **Summer school in Impact evaluation of Development policy** organised by the *Italian Centre for International Development (ICID)*. The school’s objective is to provide participants with the skills and competencies for impact evaluations of development policies and programs. Main topics addressed: Randomize Control Trials, Propensity Score Matching, Generalised Propensity Score, Difference in Differences, Synthetic Difference in Difference, and Machine Learning (Lasso)
- November 2017 – July 2020: **Master's Degree in Economics and Business Sciences (LM - 77)** awarded at the University of L'Aquila on 25/07/2020 with 110/110 cum laude. Thesis in International Economics entitled: "*International openness and economic development in Abruzzo: the role of multinational companies*". Supervisor: Prof. Lelio Iapadre;
- November 2014 – November 2017: **Bachelor's Degree in Science of Legal Services (L - 14)** awarded at the University of L'Aquila on 25/11/2017 with a 97/110. Degree thesis in Law of financial intermediaries entitled: "*The reform of cooperative banks*". Supervisor: Prof. David Iagnemma.

WORK EXPERIENCE

- November 2021 – to date: **PhD. Student in Economics and Development** at the Sapienza University of Rome in the XXXVII cycle.
- December 2019 – December 2021: **Research Fellow** at the University of L'Aquila. Research grant linked to the project: "*The economy of areas affected by natural disasters: analysis of territorial data*". The project's main activities are listed below: 1) Arrangement, processing, and analysis of statistical indicators based on the "*Open Territories*" information system; 2) Comparative analysis of policies and strategies to promote the revitalisation of the economy of areas hit by natural disasters.
- January 2018 – March 2018: **Stage at the Agenzia Delle Entrate**. During the internship, I was placed at the front office where, with the support of employees of Agenzia Delle Entrate, I provided tax assistance to the taxpayers.
- October 2016 – November 2016: **Stage at the Corte di Appello dell'Aquila**.
- June 2010 – June 2014: **Customer service operator** at E-Care S.p.A. **Main activities and responsibilities:** 1) Management and phone resolution of the customer's commercial problems (contractual rates, bill clarifications, order management). 2) Management and explanation of the customer's technical problems (ADSL technical problems) were also solved through remote access software for the customer's PC. **Skills and objectives:** I have acquired excellent problem-solving and stress resistance skills. I was able to increase my level of empathy in communicating with the client.

LANGUAGE

- English (Level B2)
