PROFESSIONAL EXPERIENCE

Banca d'Italia

January 2018 - today

Regulation and Macprudential Analysis Directorate; Roma, Italy

Since January 2018 I have been working in the regulatory unit of the Bank of Italy, where I mainly work on the development and implementation of the European and national regulatory framework on asset management (AIFMD and UCITS Directives), payment services, and Fintech.

Banca d'Italia

September 2016 - April 2017

Internship "Donato Menichella" at Banca d'Italia; Roma, Italy

Title of the research project: "Raccolta del risparmio e nuove esigenze di tutela" ("Collecting savings and new protection needs")

London Stock Exchange Group

February 2016 - September 2016

Regulatory & Post Trade Department at Borsa Italiana S.p.A.; Milano, Italy

Main projects:

- Amendments to the Rules of the Markets managed and organized by Borsa Italiana concerning, among others, the MTA Market trading admission requirements for issuers operating prevalently in the property rental sector and for real investment listed trusts or the MTA Market trading admission requirements for Investment Companies.
- Advice on regulatory issues during the consultation procedure on the review of Directive 2003/71/EC and the new regulation on prospectuses.
- Advice on regulatory issues during the Italian implementation of Directive 2014/65/EU (Market Abuse Directive II) and Regulation 600/2014/EU (Market Abuse Regulation).

Linklaters LLP

February 2015 - February 2016

Trainee at the Equity Capital Markets Department; Milano, Italy

Main projects:

- Advice to the joint global coordinators on the IPO of Rhiag Group S.p.A. (withdrawn due to acquisition);
- Activities for Banca Monte dei Paschi di Siena S.p.A. on its €3 billion rights issue;
- Advice to the joint global coordinators on the IPO of Domus Italia S.p.A. (withdrawn due to market conditions);
- Advice to the joint global coordinators on the IPO of Massimo Zanetti Beverages Group S.p.A.

H-Farm Ventures S.p.A.

July 2014

Consultant at the WeHaveTheFuture 2014! Project; Treviso, Italy

- Worked with H-Farm Italia S.r.l. on the development of a long-term business strategy and on the creation of an innovation zone in the North-East of Italy;
- In-depth workshops on structure of companies and entrepreneurial ideas, new ways of raising capital, the organization of the business process, the enhancement of creativity and know-how as competitive assets.

Government of South Australia

July 2013 - October 2013

Intern at the Department of Premier and Cabinet; Adelaide, Australia

- Conducted research and submitted, with competing deadlines, internal reports on opportunities for cooperation between South Australia and European partner countries, especially in the fields of R&D and innovation;

- Worked effectively in a team of three to analyse data and study global foreign direct investment trends and delivered a presentation on “*FDI: overview of the current global trends*”;
- Researched and produced the research paper “*Regional Innovation Policy: from theory to practice*” under the supervision of Prof. Nicola Sasanelli.
