President of "4YOU APS" (www.4youaps.org)

"4You Associazione di Promozione Sociale" is a non profit Association promoted by the "Bambino Gesù" Paediatric Hospital in Rome. The Association's mission is to help oncohaematological paediatric patients and improve their wellbeing through the development of sport, cinema, fashion, photography and other projects in collaboration with the Hospital and other private donors. In this framework, I am the legal representative of the Association and I act as communication focal point with the Hospital and private partners.
