

Curriculum

De Donato Paolo

June 7, 2020

1 Personal Data

First name Paolo
Last name De Donato
Place of birth Salerno, Italy
Date of birth February 2, 1995
E-mail paolo.dedonato@uniroma1.it
Citizenship Italian
Current position PhD Student in Mathematics at University of Rome “La Sapienza”
Advisor: Emanuele N. Spadaro

2 Research interests

Calculus of Variations, Geometric Measure Theory.

3 Education

Master’s degree in Mathematics
at University of Naples “Federico II”
Date October 2019
Thesis The quantitative isoperimetric inequality
Supervisor prof. Nicola Fusco
Final mark 110/110 *cum laude*

Bachelor’s degree in Mathematics
at University of Naples “Federico II”
Date October 2017
Thesis Il teorema di Rouché e applicazioni (The Rouché’s theorem and applications)
Supervisor prof. Luigi Greco
Final mark 110/110 *cum laude*

4 Prizes and awards

November 1, 2019 PhD grant at University of Rome “La Sapienza”;

December 11, 2017 Eligibility to eight scholarship for starting research reserved to graduate students in Mathematics;

June 10, 2016 Prize “Buon compleanno Federico II”;

May 11, 2014 Silver Medal at Italian Mathematical Olympiads;

May 12, 2013 Bronze Medal at Italian Mathematical Olympiads;

May 8, 2011 Admission to Italian Mathematical Olympiads;

5 Attended conferences

July 22 - August 16, 2019 Scuola matematica Interuniversitaria, University of Perugia, Perugia, Italy

Course	held by	final mark
<i>Differential geometry</i>	prof. Liviu Ornea	A++
<i>Functional analysis</i>	prof. Marius Ghergu	A+

December 16-19, 2018 Junior Math Days, SISSA, Trieste, Italy.

6 Other activities

November 1, 2018-October 31, 2019 Tutor for the course Calculus I at University of Naples “Federico II”.
