 C/ Lugo, nº 28 (1ª), Armilla, 18100, Granada
Andalusia, Spain

SPOKEN AND WRITTEN LANGUAGES

Spanish - fluent
English - B1
Portuguese - Intermediate Level

SOFTWARE

CharAnalysis
X'Pert HighScore
ArcGIS
Office (Excel, Word, Powerpoint...)
Photoshop and GIMP
Google Earth Pro
WellCad
OpendTect

PROFILE

I consider myself a dynamic and determined person. My interests are in Paleontology, Sedimentology and Stratigraphy. I enjoy facing new challenges and challenging myself with new tasks and knowledge

PROFESSIONAL EXPERIENCE

Consejo Superior de Investigaciones Científicas (CSIC) | Instituto Andaluz de Ciencias de la Tierra (IACT) | May 2021 - September 2021

Laboratory techniques associated with the analysis of clays and interpretation of the results obtained by XRD, XRF, AAOO, ICP-MS and TOC analysis

ONGOING PROJECTS

Pollen analysis of a sedimentary record from Laguna Larga, Sierra Nevada | July 2021 - December 2021

EDUCATION AND TRAINING

MSc - Geology Applied to Mineral and Energy Resources (GEOREC) | University of Granada | 2020 - 2021 | 8.85/10

- Specialized in Energy Resources
- Master's Thesis: Sedimentological Characterization of the deposits rich in Organic Matter in the central sector of the Betic Cordillera: Origin of the source rock | 2021 | 9/10
- Cum Laude:
 - Geophysical Logging in the Exploration of the Basement rock
 - Geology and Principles of Fossil Fuel Exploration

BSc - Geology | University of Granada | 2016 - 2020 | 6.6/10

- Bachelor's Thesis: History of fires in Colorado during Holocene from the analysis of charcoals in sediments of St. Mary's Lake, USA | 2020 | 9/10
- Cum Laude:
 - Quaternary Geology

SKILLS AND KNOWLEDGE

- Palynology
- Paleontology
- Sedimentology and Stratigraphy
- Sedimentary Geochemistry
- Field work
- Group work
- Interpretation of seismic data

COURSES

- Webinar: UGR: Workshop aimed at authors who are doing their doctoral thesis. Virtual training session.
- CSIC Laboratory Equipment Management Course - calibrations and verifications of basic laboratory equipment: balances, pipettes, thermometers, thermal equipment
- Practical Course on writing and publishing scientific articles
- Conference - From sedimentary facies to geostatistical modeling: Comprehensive characterization of a Triassic outcropping analog (Luis Miguel Yeste)
- Entrepreneurship Conference - Looking for my future: How I can change the world being an entrepreneur
