

Francesco Iaculli

Home : Viale Giuseppe Mazzini, 121, 00195, Roma, Italy

Email: francescoiaculli@gmail.com **Phone**: (+39) 3423726616

Gender: Male **Date of birth**: 08/12/1993 **Place of birth**: San Giovanni Rotondo (FG), Italy **Nationality**: Italian

WORK EXPERIENCE

Sapienza University of Rome

City: Rome | **Country**: Italy

[01/11/2024 – Current]

Doctoral Researcher

PhD research focused on fetal growth assessment and perinatal outcomes in pregnancies complicated by diabetes. The project investigates the role of customised GROW growth charts and fetal growth velocity (Δ -centile/week) in predicting adverse obstetric and neonatal outcomes using retrospective and prospective cohort data.

Sapienza University of Rome - Policlinico Umberto I

City: Rome | **Country**: Italy

[26/01/2021 – 21/01/2026]

Resident in Obstetrics and Gynaecology

Clinical training across obstetric and gynaecology services including labour ward, obstetric emergency care, inpatient wards, outpatient clinics and operating theatres. Clinical exposure also included assisted reproduction services and termination of pregnancy care. Participation in obstetric and gynaecological surgical procedures and experience in intrapartum monitoring, with involvement in the management of obstetric emergencies under supervision.

Royal London Hospital - Barts Health NHS Trust

City: London | **Country**: United Kingdom

[01/02/2025 – 31/12/2025]

Visiting Clinical and Research Fellow

Participation in clinical and research activities within obstetric services and maternal-fetal medicine. Involvement in research projects related to fetal growth and perinatal outcomes, including contribution to the BEGOTTEN observational study through patient recruitment and ultrasound data collection, alongside participation in clinical audit activities.

CNA Roma

City: Rome | **Country**: Italy

[2024 – 2025]

First Aid Instructor

Delivery of basic life support and first aid training courses for non-healthcare participants.

EDUCATION AND TRAINING

[28/01/2019]

Master's Degree in Medicine and Surgery

Sapienza University of Rome

City: Rome | **Country:** Italy | **Field(s) of study:** Medicine | **Final grade:** 110/110 cum laude | **Thesis:** The role of resorbable meshes in the reconstruction of the pelvic floor

[10/2018 – 11/2018] **Clinical Attachment in Surgical Oncology and Interventional Radiology**

Columbia University Medical Center - NewYork-Presbyterian Hospital

City: New York | **Country:** United States | **Field(s) of study:** Medicine

Clinical attachment within a tertiary academic hospital with exposure to surgical oncology (breast surgery) and vascular and interventional radiology services.

[05/2018 – 05/2018] **8th Course of Surgery and Anatomical Dissection for Medical Graduates and Students**

Accademia Chirurgica "Durante Scacchi" – Université Bordeaux Victor Segalen Bordeaux 2

City: Bordeaux | **Country:** France | **Field(s) of study:** Surgery

[12/09/2019 – Current] **Medical Licence - Registration with the Order of Physicians and Surgeons of Rome**

Ordine dei Medici Chirurghi e Odontoiatri di Roma

City: Rome | **Country:** Italy | **Field(s) of study:** Medicine

[20/01/2025 – Current] **General Medical Council Registration**

General Medical Council

Country: United Kingdom | **Field(s) of study:** Medicine

[2007 – 2012] **Scientific High School Diploma**

Liceo Scientifico A. Einstein

City: Cerignola | **Country:** Italy | **Final grade:** 95/100
