PROFILE

I'm a curious person, intrigued since forever by new technologies.
I'm currently a Ph.D. student in Engineering in Computer Science at Sapienza, University of Rome.

EDUCATION

UNIVERSITY OF ROME "LA SAPIENZA"
MSc in Engineering in Computer Science (Mark 110/110)

UNIVERSITY OF ROME "LA SAPIENZA"
BSc in Computer and System Engineering (Mark 110/110)

LICEO SCIENTIFICO G. PEANO OF MONTEROTONDO

(Mark 96/100)

TECHNICAL SKILLS

I am skilled in **C** software development in **Linux**. I know how to work with Linux operating systems (Debian, Ubuntu and derivatives).
I am also able to program in **Java** (Spring Framework) and **Python** (TensorFlow).
I can use the Windows operating system and the Office software suite (Word, PowerPoint and Excel).

LANGUAGE SKILLS

My **English** is decent since I attended a master's degree course in that language.
In high school, I also studied **French**, although it is rusty.
And of course, I'm **Italian** mother tongue.

PERSONAL SKILLS

My strength is **versatility**: I learn on demand because my studies and my curiosity have exposed me to many different technologies.
I am an excellent **team player**: I participated in various group works required by university exams, I like to be useful!
