EDUCATION AND TRAINING

Ph.D. Candidate with Scholarship at the National Doctoral Program in Peace Studies – Curriculum in Restorative Justice, Transitional Justice, and Nonviolent Conflict Transformation

Date

November 2024 - ongoing

Name of educational institution

Sapienza University of Rome – Scholarship funded by the University of Bari “Aldo Moro”

Course description

The National Doctoral Program in Peace Studies, established on the initiative of RUniPace, aims to provide transdisciplinary knowledge on the themes of conflict and peace, contributing significantly to the construction of a more just and peaceful society through advanced research and the practical application of the skills developed.

Organized into ten curricula, the curriculum in Restorative Justice, Transitional Justice, and Nonviolent Conflict Transformation pays particular attention to new approaches to justice, focusing on the cultural and institutional changes these practices generate. It also addresses the issue of plural justice systems in postcolonial contexts and the semantic redefinition of the concepts of peace and justice.

Master's Degree in Planning and Management of Policies and Social Services – 110 cum laude

Date

2019 - 2023

OTHER EDUCATIONAL EXPERIENCES

March 22, 2023

Certificate of attendance at the workshop "Seeing the other"

"FILEO" Association, Bergamo - Italy

The workshop explores, starting from individual perceptions, the automatisms that guide one's judgment with respect to "diversity". Starting from the visual dimension, with the use of works by artists and photographers, the workshop explores bias, preconceptions and implicit judgments, to try to recognize them and be more aware of them.

1 – 14 July 2019

Volunteering in India

"SMILE" Association, Madyhamgram, Kolkata, India

In the month of July 2019, I took part to a volunteering project of two weeks in an educational center located in a locality near Kolkata, India. The center provides support to refugee children, children from slums and children who live situations of extreme poverty and fragility. The activities are manual-expressive and didactic-educational.

September 2015 –
January 2016

6-month stay in France within the Erasmus + Programme

Science Po, Grenobl, France

In 2015 I attended a University semester in Grenoble (FR) at the Faculty of Political Sciences, within the Erasmus + Programme. This experience allowed me to improve the knowledge of French language, to test my independence, to learn how to face difficulties in a foreign country.
