General Skills

From October 2022, I am the Representative of PhD Students in Economics and in Socio-Economic and Statistical Studies at the Department of Economics and Law Board (Sapienza University of Rome).

From April 2021 to October 2022, I was the Students' Representative of the Master Degree Course in Economics at Sapienza University of Rome. This role has furtherly strengthen my communication, organizational and problem-solving skills.

During the High School, from 2014 to 2016 I was the School Representative. Thanks to this role, I developed public speaking, public relations, planning and decision-making skills. It helped me to improve my dynamic personality, my leadership, my capability to build relationships and to manage meetings.

I hereby authorize the use of my personal data in accordance to the GDPR 679/16 - "European regulation on the protection of personal data".
