Academic interests

European History, Eastern Europe History, Russian History, Soviet History, Memory Studies, Totalitarianism, Political Repressions, Virtual Museum Technologies, Digital Humanities.

Languages

Working languages: English (advanced), Russian (native), Ukrainian (bilingual).

Simple communication skills: Italian (pre-intermediate), Korean (pre-intermediate), German (elementary).

Translation and reading capabilities (reading, listening): Polish, Macedonian, Bulgarian, Slovak, Czech, Belarus, Slovenian.

Ancient languages: Old Slavonic/ Church Slavonic, Latin, Old Greek.

Research and computer skills

Academic writing and academic presentation; grant writing: English, Russian.

- *Advanced user of MS Office:* Microsoft Word; Microsoft Excel; Microsoft PowerPoint; Microsoft OneNote; Microsoft Outlook; Microsoft Publisher; Microsoft Access.

- *Big data analysis and analogue and digital historical sources analytic:* coding: Python, SQL, R.

- *Computer Linguistic in Historical Studies:* 1) coding TEI; 2) software Gephi, MAXQDA 12-20, Tapor, AntConc.

- *Spectral analysis of audio files (interviews) and network analysis of text data:* software Praat, Gephi.

- *Math methods in humanitarian research: descriptive statistics and stylometry* 1) coding: R and Python; 2) software Statistica by StatSoft.

- *Digitisation of written historical sources, creating machine-readable copies:* software ABBYY FineReader.

- *Photogrammetry and creation of 3D models of museum exhibits and architecture:* software Agisoft Metashape, Lumion, SketchUp.

- *Digital museum technology and virtual exhibitions:* html, WordPress.

- *Digital cartography* (historical geoinformation systems, creation of electronic historical maps): software Carto, QGIS.

Patents

Certificate of registration of a patent for electronic computers (database, analytical online platform) in the register of the Russian Federation, № 2016613311 (24.03.2016). The project was implemented with financial support of the Russian Foundation for Basic Research.

Certificate of registration of a patent for electronic computers (database, analytical online platform) in the register of the Russian Federation, № 2016613724 (04.04.2016). The project was implemented with financial support of the Russian Humanitarian Science Foundation.

Grants and Scholarships

Grant for tuition fees (MA in History), Perm State University, 2018-2020.

Scholarship «Oxford-Russia Fund» 2019-2020, 2018-2019; 2017-2018; 2016-2017.

Higher scholarship for outstanding academic achievements, Perm State University, 2019-2020, 2018-2019, 2016-2017.

The heightened academic scholarship for achievements in the field of science of Perm State University, 2018-2019; 2016-2017.

Perm University Endowment Fund Scholarship «Endowment Fund», 2017.

Grant for tuition fees (BA in History), Perm State University, 2016-2018.

Awards

Winner of award for the best master's dissertation, Deutsches Historisches Institut Moskau, 2020.
