

Seminar ***“Advances in Molecular biology”***

18 July 2025 at 1:00 p.m.

Room: Serra I and II - Genetics building (CU022)

meet.google.com/rqd-ubqm-cgu

Host: G. Guarguaglini

Daniela Cimini

Dep. of Biological Sciences. Virginia Tech, USA

*"Centrosome number evolution and nuclear size
variation after whole genome doubling"*
